Chin, Lucita has shared a OneDrive for Business file with you. To view it, click the link below.

Attached are my edits. This is a sharepoint version on my drive since I couldn't open Valois's link. Hopefully Valois will be able to open it. Let me know if you any of you have any problems.

My most significant comment is about the 2 main sections – we should combine them and pare down the first part, which should mostly happen during the discussion.

Feel free to call me with questions.
